

Dear Delegates,

**“FIFA cannot sit by and see greed rule the football world. Nor shall we.”**

**- Sepp Blatter**

Welcome to the FIFA council. We are privileged to be serving as the Executive Board of the FIFA council at the very first edition of inter-school R-NPSMUN.

The committee is best equipped to deal with matters of utmost concern to the International Football Community and is the only committee that can put forth binding resolutions related to Football. The controversial nature of the topics being discussed calls for a high level of debate and a penchant for quirky yet effective solutions. To succeed in this committee, the delegates must have complete knowledge of the agenda while also being aware of the responsibilities their portfolios entail. If you have a keen interest in football, fast-paced debate and discussion, we believe this is the right committee for you.

This is an unconventional committee acting on pressing socio-economic issues coupled with diplomacy. We wish you all the best of luck and look forward to the stimulating debate. Best regards,

**Amogh Prakash**
